9. Please state reasons why you would like to serve on the Judicial Nominating Commission. (300 words or less)

I have twenty (20) years of litigation experience in the State and Federal court systems. I have practiced in many of the counties in Tennessee during my career. I have also practiced before the Tennessee Supreme Court, Tennessee Court of Appeals, US District Court for the Middle and Eastern District of Tennessee and the Sixth Circuit Court of Appeals.

Many of the commissions serving the Tennessee legal system are populated by members from Nashville, Memphis, Knoxville, Chattanooga and other metropolitan areas. Rural lawyers and court systems have little or no representation of such commissions. I have practiced my entire career with one firm in Tullahoma, Coffee County, Tennessee. I believe this gives me a unique perspective on the legal system which would benefit the Judicial Nominating Commission.

I believe that technology will drive most, if not all, of the major changes to the legal system in the next twenty (20) years. I try to stay on the cutting edge of technology in the legal field. I was one of the first ECF members in the US District Court for the Eastern District of Tennessee. I believe that electronic filing in State court will be coming in the near future. As a result, technology needs to be a strong consideration in all commissions serving the legal system, including the Judicial Nominating Commission.

The selection of qualified candidates to serve as Tennessee's judges is critical to the future of the administration of justice in Tennessee. I believe I have the experience and qualifications to help with that process.
